ONE TEAM

#MILITARYSUPPORT

Our mission is to advocate improved quality of life and economic fairness that will support the well-being of all enlisted military personnel and their families.

As a federally-chartered Veterans' Service Organization, we are one of the few military associations able to lobby and provide face-to-face representation with our Nation's Congressional and Military Leaders on Capitol Hill, and within the DoD and VA. When Congress wants the enlisted point of view, they ask AFSA.

Our Legislative Priorities are specifically focused on issues that affect all enlisted corps and their families. We regularly meet with members of Congress and armed forces senior leaders to advocate for fair and equitable benefits including: current benefit protection, pay raises, commissary/exchange funding, educational and employment opportunities for military spouses, education and tuition assistance, adequate healthcare services, TRICARE benefits and reimbursements, COLA adjustments, transition programs, care for survivors, POW/MIAs, and enhanced Veterans services.

ONE VOICE

#AFSAGIVESBACK

We are the protectors of those who protect us. While we can never truly repay the debt owed to our current and past military heroes, it is our responsibility to share, advocate, educate and continually fight for the promised care, benefits and services on behalf of our brave active duty, retired and veteran members, and their families.

We invite you to JOIN, RE-NEW or Give the Gift of Membership. With only 1% of our current population serving in the U.S. Armed Forces, we urge you to join AFSA now to help us support the men and women who serve.

By becoming a member, you are joining an exclusive group of devoted military members, veterans, families, and sponsors who are making a strong statement of support during an extremely crucial time of change.

We thank you in advance for your AFSA membership and support.
