WE ARE AFSA

DEFENDING THE ENLISTED CORPS AND THEIR FAMILIES SINCE 1961

We are the protectors of those who protect us.

While we can never truly repay the debt owed to our current and past military heroes, it is our responsibility to share, advocate, educate and continually fight for their promised care, benefits and services.

We invite you to Join, Re-new or Give the Gift of Membership. With only 1% of our current population serving in the U.S. Armed Forces, we urge you to join AFSA now to help us support the men and women who serve.

By becoming a member, you are joining an exclusive group of devoted military members, veteran families and sponsors who are making a strong statement of support during an extremely crucial time of change.

We thank you in advance for your AFSA membership and support.
