

2018 - 2019 AFSA LEGISLATIVE PLATFORM

This platform of legislative objectives will be used as a “blueprint” for testimony and lobbying efforts, in conjunction with responses dictated by day to day events. There are seven major focus groups listed below. Within those generalized focus groups are the Association-approved initiatives which we will list a few main objectives; as we win approval for one of those targeted areas we will remove that ticket item and add another from our ongoing support list. This list is not all inclusive and will be modified as dictated by the situation and events. Understanding our Nation’s fiscal situation, success in each of these areas will not always be defined by what is gained, rather the level of benefit preserved or gaining a portion of our objective.
