

AFSA INTERNATIONAL FOR WORTHY CHARITIES

Created in 1980, The AFSA's Charities directly support the heritage, education/scholarships, welfare and well-being of the Total Air Force enlisted corps and their families. **"Taking Care of Our Own"**... through the generosity of donors like you, we have helped thousands of our enlisted Airmen and their families. The Latin derivative of Sergeant is to serve. Please help us fulfill our solemn oath to serve one another and make your contribution today. Note: All funds received will be credited to AFSA For Worthy Charities.

THE UNIFORMED SERVICES FOUNDATION

The USF scholarship fund provides grants for college education to dependent youth of members. Since its inception in 1967, AFSA has granted over \$1 million dollars in scholastic financial aid. In addition, this exceptional charity provides financial assistance to Members who wish to improve their employment opportunities by increasing skills through advanced education.

AIRMEN MEMORIAL FOUNDATION

Founded in 1983, the Airmen Memorial Foundation (AMF) is a not-for-profit charitable and educational assistance organization. The organization provides funds for worthy causes such as scholarships to enlisted Airmen's children under the age of 23. Of special note, the AMF also manages, at no cost, other scholarship programs such as the Chief Master Sergeants of the Air Force Scholarship program. To date, the AMF and its managed funds has awarded over 1,901 scholarships, totaling over 2.57 million dollars.

THE AIRMEN MEMORIAL BUILDING FUND

Built by AFSA members, the Airmen Memorial Building (AMB) is so named to represent and stand as a living monument to not one, but to all enlisted Airmen. The AMB houses the Air Force Sergeants Association International Headquarters, The Enlisted Foundation and the Airmen Memorial Foundation, DC Office. Donations help ensure this enlisted memorial is maintained and operated in a manner in which all Airmen can be proud.

THE ENLISTED FOUNDATION

The Enlisted Foundation (TEF) was established in 2017 for the mutual welfare of members of the armed forces and their families; to include educating others on quality of the lives of enlisted members servicing in the armed forces.
