

ONE TEAM

#MILITARYSUPPORT

Our mission is to advocate improved quality of life and economic fairness that will support the well-being of all enlisted military personnel and their families.

AFSA represents our 100,000+ members by advocating for their interests to America's elected and military leaders. As a federally-chartered Veteran Service Organization, we are able to lobby on Capitol Hill on behalf of our members.

Our Legislative Priorities are specifically focused on issues that affect enlisted corps and their families.

We regularly meet with members of Congress and Air Force senior leaders to advocate for fair and equitable benefits including: pay raises, tuition assistance, healthcare, COLA adjustments, transition programs, care for survivors, educational benefits, and veterans services.

We are 100,000+ strong; one powerful voice sharing the enlisted corps stories and concerns with our Nation's Congressional and Military Leaders to continually fight and advocate for promised military benefits and services.

JOIN THE FIGHT

#WEAREAFSA

We are the protectors of those who protect us.

While we can never truly repay the debt owed to our current and past military heroes, it is our responsibility to share, advocate, educate and continually fight for the promised care, benefits and services on behalf of our brave active duty, retired and veteran members, and their families.

We invite you to JOIN, RE-NEW or Give the Gift of Membership. With only 1% of our current population serving in the U.S. Armed Forces, we urge you to join AFSA now to help us support the men and women who serve.

By becoming a member of AFSA you are joining an exclusive group of devoted military members, veterans and families who are making a strong statement of support during an extremely crucial time of change.
