

WHY JOIN AFSA?

1. **Who's looking out for you?** You've protected our country; let AFSA protect your interests on Capitol Hill.
2. **Strength in Numbers.** A growing, united membership gives AFSA the influence to make a difference for its members.
3. **Your fellow Airmen need you!** Our military members are too busy defending our nation to worry about the benefits Congress is targeting. AFSA advocates on their behalf so they can focus on what they do best--defending our nation.
4. **A Place to Make a Difference.** Chapters are the lifeblood of AFSA, and provide you opportunities to make a difference in your military and civilian communities, and in other Airmen and Veterans' lives. This also supports AFI 36-2618, Enlisted Force Structure, which encourages Airmen to join professional organizations, and participate in organization and community events through volunteerism. AFSA can help you do that!
5. **Mentorship.** Bringing together Airmen and Veterans from different eras and stages in life allows us to learn from each other, and to honor each other because we have one thing in common: we understand what it is to serve.

5 Years For \$25!

For a limited time, you can join AFSA for **5 years for just \$25!**

With that, you receive:

Weekly updates on legislative issues affecting you and your family.

Access to discounts, scholarship opportunities for dependents and the bi-monthly digital magazine.

Connection with a local AFSA chapter and the opportunity to get involved in events, outreach and leadership.
