Continue Our Legacy of Success | www.HQAFSA.org/mentors

Many people believe in the importance of mentorship, yet few have actively sought one. We formally challenge all current and past AFSA leaders to sponsor a new or existing member's dues—and commit to mentoring that individual for the next six months.

Now is the time to grow our Association and nurture the next generation of leaders. The best mentorships foster growth for both participants, so we challenge you to share your unique skills and insights to attract new talent and advance AFSA's mission for the future.
